

Arizona Department of Education  
Tom Horne, Superintendent of Public Instruction

*System Training and Response (STaR) Team – Driving and Parking Directions*

**Arizona Department of Education - Student Services Building**  
**2005 N. Central Ave.**  
**Phoenix, AZ 85004**

This building is located on the northeast corner of Central Avenue and Palm Lane, just north of McDowell Road. Although there is parking on the premises, workshop participants are asked to park in the church parking lot on the south side of Palm Lane, to the south of the church. A parking permit is required. **Note that parking regulations for this location changed in spring/summer 2007:** previously, workshop participants were allowed to park behind the church in the lot on the corner of Palm Lane and Alvarado Road. This lot is no longer available for workshop participant parking, and vehicles left there will be subject to towing.

Access to the approved parking lot may not be available from Central Avenue during light rail construction. During construction on Central Avenue, we recommend entering the parking lot by following Coronado Road from Alvarado, which can be accessed from either Palm Lane or McDowell Road.
